

# EVX Midstream Partners Appoints Business Development Executives

8.04.17 | Posted By EVX Midstream

Houston, Texas, August 7th, 2017 – EVX Midstream Partners, LLC (“EVX”) today announced that it has added two industry executives to its business development team. EVX appointed Brian Stewart as Vice President of Business Development and Nick Miller as Director of Business Development.

“We are extremely pleased to add Brian and Nick to our team. Brian brings significant producer and midstream business development experience to EVX. His experience at Anadarko in the Eagle Ford affords EVX a deep understanding of critical producer needs. Additionally, Brian gained valuable midstream experience in the Permian Basin while working for Enterprise Products Partners.”

Mr. Chambers continued, “Nick’s midstream business development and commercial operations experience that he learned while working at Crestwood Midstream Partners and Boardwalk Pipeline Partners in the Eagle Ford and East Texas will help EVX create win-win solutions for our growing base of customers. EVX prides itself on its ability to create value for our customers by developing crude oil, natural gas, and water solutions. Brian and Nick will play a critical role in the growth of EVX.”

EVX is led by its three founders: Herb Chambers IV, President and CEO; Charlie Flynn, Chief Operating Officer; and Brian Kellar, Chief Financial Officer. The EVX leadership team has a demonstrated track record of success, with over 50 years of collective experience originating transactions and projects, structuring and developing midstream assets, and operating assets post-acquisition or project completion.
